# Activities we can offer

We are a friendly, family orientated club offering a wide range of activities, there really is something for everyone.

## PADDLESPORTS

We have an extremely active paddlesport section offering kayaking, canoeing and stand-up paddle boarding (SUP). In addition to sessions at Manvers Lake we run regular trips away from the lake and offer opportunities for both recreational and competitive paddlers. We welcome new paddlers of all abilities from beginner to expert.

## OPEN WATER SWIMMING

Open water swimming is one of the fastest growing sports in the country. The clean water and great facilities at Manvers make it a first class venue for anyone who wants to swim for fitness, train for an event or just give it a try. We offer lifeguarded open sessions, courses and coaching, plus a safe and welcoming environment.

## WINDSURFING / SAILING

Windsurfing equipment is available to experienced members of the club.

The club also has two Topper Topaz dinghies which are easy to set up and to sail and can be used by competent sailors.

## TRIATHLON & QUADRATHLON

Members of Team Manvers regularly compete in Triathlon (swim/bike/run) and Quadrathlon (swim/kayak/bike/run) events around the country. The club also hosts both triathlon and quadrathlon events at Manvers Lake. The club is affiliated to Triathlon England and the British Quadrathlon Association.

## RUNNING

Manvers is home to a large and extremely active social running section, with a programme of regular runs from the lake suitable for all levels from beginner to expert. Members of the section frequently take part in running events away from the lake, from a few kilometres up to full and ultra marathons.

 [TeamManvers](#)

## ANGLING

Manvers Lake is home to a great variety of fish species, namely roach, perch, pike, bream, tench, carp, brown trout and catfish. Coarse anglers and specimen hunters alike favour the deeper areas, as ledgering is a favoured tactic for carp, tench and bream. Water depths can vary between a couple of feet to twenty plus.

 [ManversAngling](#)

## DRAGON BOATS

Team Manvers Dragons was formed in July 2019 and went on to represent the club at two events in the national dragon boating league calendar. The club holds regular training sessions all year round. New team members are always welcome - no previous experience is required. Please contact the club for more information.

## MODEL BOATING

We have a small but active model boating section. Types of models sailed include yachts, scale, steam and fast electrics - tunnel hull, Vs, and hydroplanes. There is a wealth of experience and knowledge in most facets of modelling. Come on down and have a look.

## Why not join us now?

It's really simple and can all be done on our website at [www.mwbc.org.uk](http://www.mwbc.org.uk)

# How the club operates

**The club is run by a team of skilled volunteers who provide a range of activities for members - which is why we can keep the price so low!**

Each discipline has its own dedicated facebook page upon which sessions will be posted weekly once the availability of the volunteer coaches is known - everything is booked online. Don't have facebook? It's not a problem, you can book on via our portal at [www.webcollect.org.uk/mwbc](http://www.webcollect.org.uk/mwbc)

## FACILITIES

An ideal venue we have excellent water quality and great facilities. The club has the use of a purpose built boathouse with changing rooms, showers and even an on-site café!

*"We pride ourselves on being a friendly and inclusive club. New members are always welcome - whatever their level of expertise and experience. We hope to see you soon."*

## ANNUAL MEMBERSHIP

Membership runs for a full 12 months from the date of joining.

Club members can take part in any of the activities of the club and use equipment during organised club sessions.
